Tip of the Month: Daylight savings time begins on March 9. Don't forget to spring ahead, and check your smoke detector, carbon monoxide detector and flashlight batteries! And be careful when disposing of batteries.

## **Neighborhood Meeting Set March 4**

We are overdue for a neighborhood meeting so I've set up our next one for March 4 at 7:30pm at my office 16810 Ventura Blvd. There is plenty of parking directly behind our office. Please arrive around 7:15 so that we can get started promptly at 7:30. I will have a senior lead officer from LAPD as well as Gurmet from councilman Koretz's office. This is a great way to meet your neighbors and find out what is happening in our community.
