Senior Real Estate Specialist(SRES®)

What do those initials mean? Sometimes there is an alphabet soup of letters after a Realtors® name...now you will be seeing the letters SRES after my name. What does that mean for you? It means that I have now been certified by the Senior Real Estate Specialist Council and the National Association of Realtors as having fulfilled the requirements to become an SRES. Meaning that I have been further educated in dealing with our senior population, including the Baby Boomer generation, which I am a part of. It also means that in my ongoing commitment to serve my clients and friends, that I will continually learn and be educated in ways that I can be of further service to those in our community, and beyond. I take my responsibilities as a Realtor® very seriously and I am constantly working on ways of which I can offer you the best possible service!
