Just sold off market

Listed as a pocket listing, I closed 5155 Valjean in 7 days! The sellers didn't want to put it on the market, or have a sign up. Through my

relationships with other agents I was able to find the perfect buyer for this home. And also allow the sellers to stay for a couple of months so they can find their new home.

 **Tip of the month: The no left turn signs on Otsego and Moorpark are up now and the police have been out there giving tickets. Please let your staff and friends know that they will not be able to turn left off of Hayvenhurst until after 10am.**
