Neighborhood Garage Sale April 15

I am organizing a neighborhood garage sale once again, and hope that we will have a lot of homes participating! The way this works, is I will do all of the advertising and promotion for the garage sale, and everyone will put their things out at their own homes. I will create a list of all the homes participating along with what types of items you will have for sale, and provide that to all the homes to pass out when people come. I did this pre pandemic and we had a great response! So start your spring cleaning and contact me to get on the list and participate! Also, would love to have some kids set up lemonade stands or a bake sale to take advantage of the extra traffic in the neighborhood!

**Tip of the
month:**

I participate in a lot of charity events and am always looking for cool things for raffle prizes or silent auction items...let me know if you might have something!
Thanks!
