Measure EE on the June ballot

The LA Unified School district has placed measure EE on the June 4 special election ballot. This is a parcel tax based on your square footage and the Southland Regional Association of Realtors is opposed to this tax. It isn't that we don't want to help the schools but this money should be coming from Sacramento not from our pockets. The Los Angeles Chamber of Commerce, The Valley Industry and Commerce Association and the Los Angeles County Business Federation among others are all opposed to this tax. Please make sure you get out and vote! Thank you!
